

JACKETS SEACAID

The national dress of Scotland is seen here with a range of formal jacket styles. All over the world the kilt evokes emotion and interest more so than any other form of dress, it is therefore important to ensure you are properly dressed. Houstons have the expertise required to get Highland dress just right - with all the correct accessories.

One of the great beauties of highland dress is that fashions come and go but with a kilt you will always have an outfit that will never date, last a lifetime and is adaptable for any occasion the world over.

To go with your kilt or tartan trousers, you'll need a jacket. The most popular styles, the Prince Charlie and the Argyll or Braemar, are described below along with more specialist jackets. Generally most customers buy a Prince Charlie or an Argyll, Braemar first, then a Tweed Argyll for a more casual occasion later. We can make anything made to order special designs or fashion jackets, kilts, trousers or waistcoats. Please call for assistance.

We have taken over 20 years to get our own Houstons cut and block of jackets just right. Also it is a very light weight 100% wool Barathea which is very comfortable to wear, also stain proofed, unlike a lot of other makes of jackets which are very heavy, bulky, boxy cut jackets which makes you feel too warm and uncomfortable.

The Prince Charlie.

Worn with a standard 3 button waistcoat, suitable for formal occasions like dinners, balls, dances, weddings, or graduations. The Prince Charlie should be worn with a dress sporran and bow tie and with a standard or wing-collar pleated shirt or ruche tie & batwing shirt. The Prince Charlie outfit will make you feel "a million dollars".
