

FIRST STEP: SELECTION OF YOUR TARTAN

The first step in choosing your Highlandwear outfit is to choose your tartan. Here at Houstons we can inform you of the correct tartan for your crest or family name. You can also find tartans, crest histories and video clips explaining everything you need to know as well as a 60 page buy brochure with kilt packs, accessories, order details & measurements, with questions and answers on-line at our Web Site: www.kiltmakers.com

Scotland has many district, town and clan tartans as well as National tartans for example the Scottish National, Flower of Scotland, Braveheart, Spirit of Scotland, Scotland the Brave, Isle of Skye, Millennium tartan, Monarch of the Glen, Spirit of Bannockburn and our own designs, 'St Mirren' 'Scottish Heather' and 'Bute Heather' collection, Irish Districts, Irish National, Irish Blood, Welsh National, Cornish National, Canadian and some American, like New York and American National designed by Houstons. The beauty of these tartans is that anyone can wear them with pride.

Most Scottish clans have their own tartan, if not you will find that they are affiliated to a clan which does.

THE "RIGHT" TO WEAR A TARTAN

Often over the years one has heard people explaining they have the right or that they are entitled to wear this or that tartan.... in fact no such right, in any legal sense, exists for them or anyone elsethe only considerations which govern the wearing of a particular set are usage and good taste. [quote from Scottish Tartans Authority director Brian Wilton](#)

So the answer to the question "what tartan am i entitled to wear?" is -- "any tartan you fancy" the sole consideration are good taste--- some tartans are appalling clashes of colours! highland attire looks smart and feels great to wear.. perhaps Cary Grant's advice for choosing a tie --- always dress to go with your eyes -- is also the best criterion for choosing a tartan.

[quote from Alistair Campbell of airds, unicorn pursuivant of arms the court of the lord Lyon](#)

To make life easy to pick a tartan at Houston's we have over 100 tartan books, the only kilt shop in the world where you can see every commercial produced tartan, and have the facility to weave any tartan if a stitch count exists from our records... We have collated over 600 tartans any one can wear in 8 swatch books in colour bunch to make viewing tartans a lot easier for our customers.

At Houston Traditional Kiltmakers we get customers visiting our shop from all parts of Scotland, the U.K., Europe and the rest of the world. Our professional staff will advise on tartans you can wear from a choice of around 14,000 different tartans.

KILTS

FEILEADH BEAG

Our kilts come in several weights of cloth. The 11oz cloth is very light weight and more suitable for ladies skirts, gents trousers, waistcoats, childrens kilts and some professional dancing kilts.

For gents kilts, we recommend anything from 13oz medium weight to 16oz heavy weight cloth this being the real "Rolls Royce" of kilts. All of our kilts are 8 yards, traditionally handmade in pure wool. **The heavy weight 16oz kilt cloth sits, swings and looks a million dollars, compared to a 13oz medium weight kilt, and it is NOT any warmer. It is the weight of the jacket which makes the heat difference. All of our Houstons jackets are super light weight and stain-proofed.**

The only reason we sell 13oz medium weight kilts is if the tartan is only available in this weight like Irish and Welsh and some clan tartans. Houstons also have an exclusive service of teflon coating tartans/kilts to make them stain resistant, this service can only be done at time of ordering the kilt on all our own Cloths.

All kilts are individually hand tailored to your own specification in a range of 6 different available kilt finishes. From hand-made kilts through to machine-finished kilts.

Adjusting of Kilt Size

Kilts go down 1½" and go outwards 1½". We can also cut kilts for growth by adding an extra inch or two so the kilt can be expanded through time to 3 to 4 inches extra. This is ideal for younger lads or indeed for anyone, as ones weight does fluctuate in the life of a kilt. If you lose weight we can also tighten up kilts. For boys and youths we can also hem a kilt so the length can be dropped when they get taller. Please ask if you wish this service when ordering your kilt.

Kilt Finishes, Hand Made

Basic Hand Finish Kilt 1

These kilts are traditionally hand cut and made. They do not have as much preparation time spent on the layout. On the back of the kilt you will see some stitching at the top of the pleats, this gives the kilt an authentic look. With a standard finish kilt there is always running maintenance through the life of the kilt, like the odd burst stitch which can be easily repaired. We are finding less and less customers going for this finish. Delivery time 8 to 10 weeks.

Super Hand Finish Kilt 2

This kilt is 100% traditionally hand cut and made by kilt makers who are passionate and take a great deal of pride in their trade and spend a lot more time preparing the cloth, chalking and marking the tartan before cutting out the kilt to the exact template. Like any craftsperson the better preparation and time taken, the better the job. The majority of our 8 yard kilt sales are in super finish. This kilt has 3 buckles and straps, canvas and lining with 2 belt loops and approximately 23 good knife pleats.

At the back of the top of the kilt pleats there is hardly any stitching to be seen. This kilt takes longer to make due to the pleats being stitched from inside. The stitching of the buckles and straps are reinforced for extra strength. These kilt makers are much older with 25 years experience in the art of kilt making. This is our Rolls Royce or Savile Row of kilts. Note - it generally takes an extra 4 to 5 hours to make a super finish kilt and are generally maintenance free. Delivery time is 4 to 8 weeks.

We highly recommend super finish kilts. You only buy a kilt once in a lifetime, they are worth the extra as the whole kilt is far more superior made and will last a lifetime.

Super Hand Made Deluxe 3

This is made to a far higher standard than a super hand made kilt. Preparation time is doubled and matching and setting is far more accurate. The kilt is 90% hand cut and made, with reinforcing by machine around buckles, waistband, belt loops and all key important areas. Finally all checked over and super pressed to keep the pleats nice and sharp. The very best kilt anyone can buy.

Super Hand Made Deluxe Finish

Machine Finished Kilts

Basic Machine Finish Kilt 4

We have introduced this basic kilt due to the success of our casual machine made kilts. This is a starting price kilt, ideal if you only want to wear a kilt once or twice a year. These kilts are all hand cut but fully machine made, resulting in quicker production. On the back of the kilt at the top of the pleats you see a small line of machine stitching. This is a good value kilt, but not quite The Real McCoy. Delivery time 4 to 6 weeks.

Basic Machine

Super Machine Finish Kilt 5

As the basic machine finish kilt but a lot more time preparing the kilt, marking out and cutting out the scallops so the kilt sits and fits a lot better, it is 50% hand made. This kilt is £30 more than the Basic Machined kilt and is far better finish. You will see a row of machine top-stitching down the back of top of pleats of the kilt.

Super Machine Top Stitch

Superior Super Machined Kilt 6

superior super machined under stitched kilt, which is 60% hand made, all the preparation is by hand cutting the scallops to template, then stitched by machine under the pleats, reinforcing around the buckles, straps & belt loops, finally all checked and hand finished, and super pressed to keep the pleats nice and sharp.

Delivery time, 4 to 6 weeks. Express delivery 2 weeks at £50 extra.

Super Machine Under Stitch

Pockets 7

Pockets can be added to this super machined under stitched kilt for £20 extra per pocket, with a choice of under the front apron or at the first left hand pleat.

Pocket option

Teflon/Stain-Proofing

At Houstons we were first to teflon coat/stain-proof all our tartans, which makes our kilts and jackets fully protected from rain and stains (even beer-proof!). The wool has the same handle and is fully breathable, making them safe to wear to rugby and football matches.

We calculate over the life of your kilt you will save approx £180 to £260, not having to get your kilt dry cleaned as often. This also helps the environment. **The Teflon coating lasts a minimum of 18 dry cleanings.**

Teflon Coated - Stain Proofed - around 350 tartans available

Kilt Pleating

Kilts may be pleated to the set as normal, or regimental set pleated on the line where a tartan has a predominant stripe.

Other garments we can make include tartan trousers, trews, suits, jackets and tartan waistcoats, we also do tweed jackets, tweed suits and Inverness capes. For mail order purposes an easy to follow self-measurement form is included on page 46.

At the back of top of pleats, all the stitching is done underneath so it is concealed and not seen.

Regimental Set

NOTE

We offer a full range of kilts suitable for any occasion. Generally customers buy a kilt once, to last a life time. It is used for many different purposes so its important to take time on choosing the correct tartan and type of kilt finish, as it will last a life time and can be passed on as a heirloom. We recommend an 8 yard kilt. We find customers go for the best weight of cloth and best finish as the kilt is the heart of the outfit. It will become an old faithful friend you will have for life, maturing with age. Any kilt can be easily adjusted up or down waistline direction.

Delivery Time

Delivery time for all kilts in top quality wool, in any stock tartan, 4-8 weeks.

Express service (6-14 days) is £50 extra on super finish kilt. (Subject to kiltmakers workload)

Please Note: As long as cloth is in stock we can make your kilt for the stated delivery time. If cloth out at mill this can delay our kiltmakers in making your kilt. We recommend if your kilt is for a special occasion that you book 4-6 months prior to the important occasion as some mills can take up to 16 weeks to re-weave cloth.

KILT PRICES

Houstons are proud members of the Scottish Tartan Authority, with Ken MacDonald as a governor of STA. We have our very own kilt makers, offering a range of 6 different kilt finishes keeping very high standards of quality at competitive prices.

All Houstons kilts are traditionally 8 yards hand made in Scotland.

At Houstons we tailor our kilts from pure wool tartans woven by Scotland's top quality mills. 16oz kilts (pictured) are crafted from tartan woven by Lochcarron and House of Edgar in top of the range heavy worsted quality. We recommend this as being the hardest wearing weight and one that will hold its pleats very well, many of our oldest customers will proudly testify to the long service such a kilt will give. The range of worsted 13oz quality tartans is growing each year. Sharing the advantages of the heavier worsted, it is also ideal for tartan trews. A lightweight worsted and saxony wool 11oz tartan is woven in a very large range and is ideal for trousers, waistcoats, childrens kilts, and for ladies kilts and skirts. It is usually woven in a smaller pattern or "set", also available are a range of 75 tartans in silk, suitable for ladies trimmings or dresses. Prices quoted are for full Kilts, standard sizes up to 44" waist. 45" to 66" waists and seat carry an outsize surcharge, please see our outsize chart.

CASUAL & SEMI KILTS

Casual sports kilts are ideal as second kilts for rugby, football matches or as general leisure wear or knocking about, they can also be used for groom or best man. We are finding these kilts are taking over the ex hire market because you can buy a kilt in your own tartan. It can be worn casually or dressed up, also have it specially made to fit you.

NOTE: All Houston's ex-hire kilts are 8 yards 17oz heavy weight kilts in grade one top condition.

(Some shops don't give out their pedigree or background of the hire kilts they are mostly 13oz medium weight and can be usually 4 to 8 yards).

4 yard Casual Sports Kilt - This kilt introduced over 2 years ago and has proved very successful as a secondary kilt or for an economy kilt. Construction of kilt has no canvas inside, but has a cotton lining around the inside of waist band and has two or three buckles and straps.

All machine made. Shallow pleats approximately 18 on back of the kilt. Delivery time 4 to 8 weeks.

6 yard Semi Casual Kilt. Best Value - This kilt we introduced after the success of the sports kilt. It's an ideal secondary kilt, it has 2 yards more cloth it has canvas and cotton lining inside waist band of kilt with 3 buckles and straps. It hangs and swings and looks like a real kilt. This kilt is cut by hand and all machine made it has good deep pleats approximately 21. At top of pleats you will see machine stitching. This is great value kilt if you don't want to pay for an 8 yard kilt. Delivery time 4 to 8 weeks.

8 yard machined kilt - This kilt is all hand cut fully machine made, has canvas and cotton lining inside and three buckles and straps. You can see stitches at the back of pleats. Approximately 23 pleats. We brought this 8 yard machine made kilt out after the success of the 4 yard and 6 yard machine kilts. Basically for the American market, for a better priced kilt due to the high exchange rate, which has been very successful. This Kilt is available in two finishes, Basic machine finish or super machine finish + £30 extra see page 5 for more information. This kilt can be worn for any occasion. Delivery time 4-6 weeks, Express Service 2-3 weeks + £50 extra on all casual kilts.

Houston's try to keep some 4 and 6 yard kilts in stock at special prices on a few tartans only. Please call for details.
