

# POPULAR REASONS FOR WEARING A KILT VERY IMPORTANT INFORMATION

Anc Htg MacRae

A kilt today is a highly adaptable piece of clothing and can be worn fully dressed with one of our many jacket styles or casually with a pullover or casual shirt. A kilt is a popular garment for any occasion. Some suggestions for wearing a kilt would be at weddings, dinners, balls, ceilidhs, dances, burns suppers, christenings, graduations, highland games, business trips or even on that holiday cruise that you have been promising yourself. A kilt also makes a great gift, for example on an anniversary or on an 18th or 21st birthday or a surprise present. They are also great to wear to sporting events to show loyalty to your country, for example at rugby or football events. We have even seen a rise in popularity in kilts as part of the school uniform and once you have your kilt you will wear it a lot more for many other occasions. **We reckon that once a customer has a kilt they will wear it between 6 and 10 times a year.** The most we have heard a customer wear his kilt is 30 times in one year, other customers wear kilts everyday. If you lose or put on weight they can be easily adjusted, also we recommend for young lads ages 16 to 22, we can cut kilt to growth so that in later years with middle age spread we have the facility to let kilts out. The service is unique to Houstons and we must be advised at the time of measuring the customer as we only do this service if requested. We can also teflon coat kilts to make them stain resistant. This service is exclusive to Houstons, again must be requested before we make the kilt. With Houstons guarantee of satisfaction if you require care we are only too pleased to assist our customers. We find customers saying they are buying a kilt for life and go for best quality cloth, usually heavy weight and get the best super finish kilt as this will last a life time. As you can see customers today are buying kilts for a wide variety of purposes which is great to preserve the Scottish tradition. **A highlandwear outfit never dates and will last a lifetime. It is a once in a lifetime purchase which can be worn with a real feeling of pride not just in Scotland but anywhere in the world and will gain admiration wherever it is worn.**
